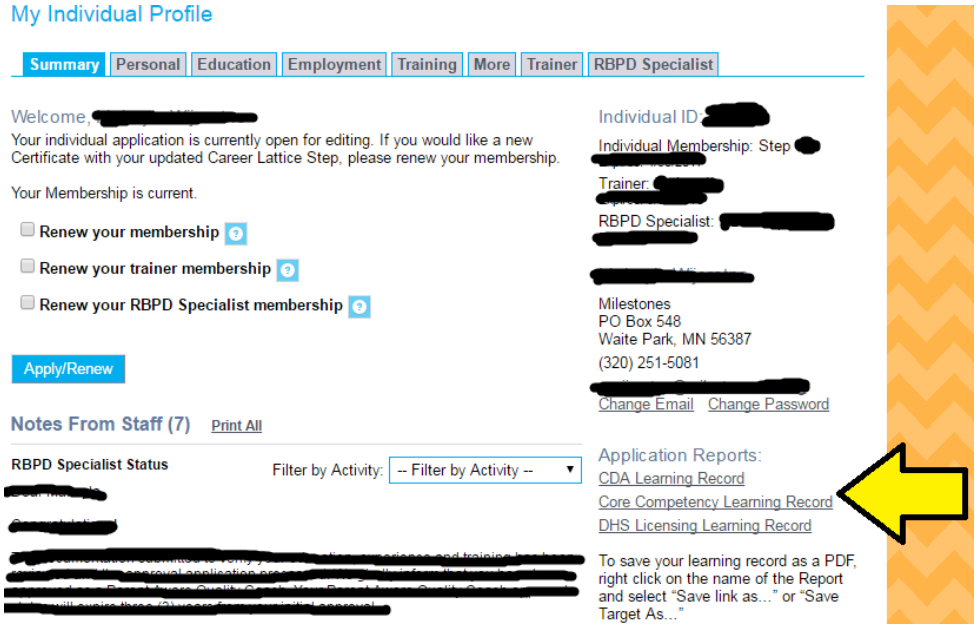
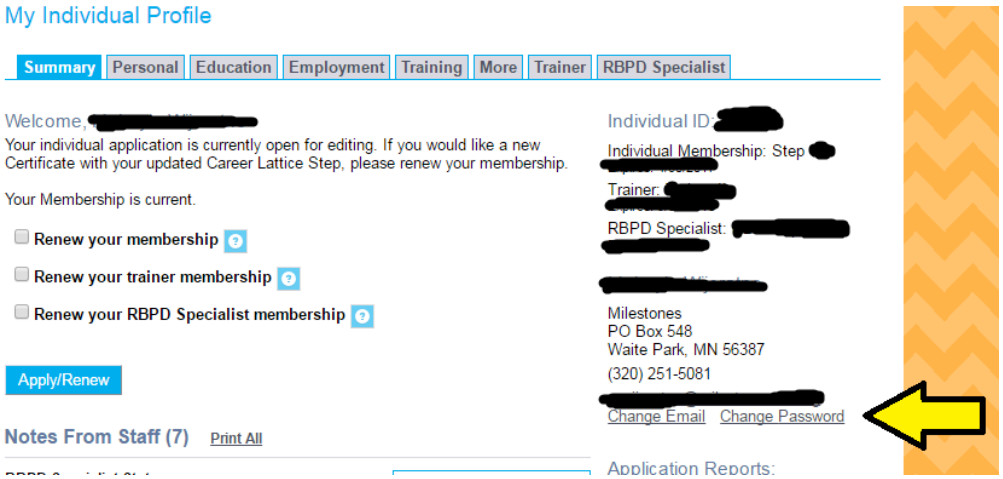
How to Print my Learning Record and Change my Password

How to Print my Learning Record:

- Log into your Individual Develop Account on www.developtoolmn.org
- In the lower right hand side of the screen are three "Application Reports". This is where your learning record is located. You can simply click on the report you'd like to see. A PDF will open up and you can save it or print it from there.



How to Change my Password:

-Log into your Individual Develop Account


-On the right hand side of the screen, underneath your address, are the links to "Change Password" or "Change Email".
