Meeting began at 10:05 am

Welcome and Introductions

Commissioner's Award for Traffic Safety

- Successes Shared

Coalition Projects

Distracted Driving Prevention Sign Contest

- Shared information on the Sign design and the award ceremony at the Princeton School Board Meeting

Distracted Driving Prevention Bus and Business Outreach Ideas

- Discussion completed on graphic arts options provided and the focus of these efforts
- Hoping for an early August release to coincide with the Hands-Free law

Safe Roads Grant Eligibility and Focus Discussion

- Reviewed data shared with the RFP regarding fatalities and serious injuries in Sherburne County versus the State of Minnesota
- Needs to apply for grant funding discussed
- Required Coalition Activities reviewed
- Optional Social Media Platform information and Campaign waves
- Optional Activities Discussed as well – focus on pedestrian/crosswalk education and safety

Call to Action before June Meeting

- Letter to the Editor for Speed Prevention – Need volunteers
- Promote Message Monday taglines locally – Roxanne will distribute when available. (I have asked to receive these with more lead time – will provide when able.)
- **Provide at least three** Questions and Answers (with source provided) for Speed Campaign to share with local businesses (such as Caribou) and schools for Question of the Day outreach. Email information to Roxanne who will distribute.

- Roxanne will continue to work with graphics arts designer on a handout for bussing and businesses for July/August/September time frame.
- If a Law Enforcement Agency has a crash that has occurred in the last year that may now be cleared to be discussed at the Fatal Review Committee meeting in September, please provide information to Roxanne.

Next Meeting

- **August 14, 2019** at 10:00 am in the Sherburne County Emergency Operations Room.

End of Meeting at approximately 11:25 am.
